REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Cane Bay Middle School opened its second successful school year with grades 5-8. The addition of grade 5 students increased the student and instructional staff by nearly 50%. This dramatic increase in enrollment and program growth was both a challenge and an opportunity. As a team we focused on meeting this growth with continued academic excellence in a safe and caring environment.

Teachers continued to work collaboratively to implement district instructional units and develop professionally with a focus on student achievement and engagement. Support for teacher and staff advancement was provided through District Staff development times as well as embedded professional development during the school day.

Through the ongoing support of our school community and dedicated work of our students and staff, Cane Bay Middle continued to thrive. Academic honors included having 2 Duke TIP Scholars as well as 9 Junior Scholars. Students in grade 8 earned high school credits in up to four subjects: English I, Algebra I, Spanish I, and Keyboarding/Computer Applications. Students also demonstrated their STEAM (Science, Technology, Engineering, Arts and Math) skills through participation in QUEST, Robotics, Trebuchet, Dimension U (SPAWAR sponsored contest). Other academic extensions included Odyssey of the Mind, the State Mock Trial competition, the Renaissance Club and National Junior Beta Club.

Fine Arts included visual arts, strings orchestra, band, and chorus for all grade levels. Cane Bay students earned placements in All-County Band, Chorus, and Strings as a result of their hard work and commitment to their talents.

Outside of their academic successes, Cane Bay students led the way in community involvement through active Student Council sponsored outreach to Kids Who Care, the Make a Wish foundation, food drives, Relay for Life and Pennies for Patients. Beta Groups provide school service as peer tutors and school beautification. Junior Cobra-2-Cobra members provided orientation visits for new students and their families to help them acclimate to our school.

In partnership with Cane Bay High School, 7th and 8th grade students were able to participate in high school league sports. Students were also able to participate in Trident League Basketball, Fellowship of Christian Athletes.

As we move into year three, we will continue to Lead The Way in building community relationships and strengthening the opportunities for our students to shine through academics, leadership, and character development.

Respectfully,

Deon Jackson, Principal
